I am feeling delighted to announce the publication of the Vol. 4, Issue No.3 of *Brainwave: A Multidisciplinary Journal*, published by Brainware University, West Bengal, India.

The articles, submitted for favour of publication in this issue have been peer reviewed by eminent reviewers in respective areas. Consequently, I do hope that articles, which have been recommended for publication in this issue, will prove beneficial to the present as well as future researches.

I also take this opportunity to extend my heartfelt thanks to the stakeholders who made the timely publication of the issue possible. I am also indebted to the honourable reviewers, the members of the editorial board, editorial advisory board and authors for their contributions.

Finally, I do like to state that our focus is novel contributions from authors and enrichment of literature thereof.
